

Disc Golf Club of Albany proposed projects for fall 2004. 10 year plan for Albany parks Simpson, Timber Linn, Takena Landing, Bryant, Bowers Rock State, and Willamette Wayside.

### **Simpson**

**Intentions:** Install an 18 hole advanced level disc golf course.

**Issues:** No bathrooms or running water. Access to all parts of the park.

**Timeline:** Finish spring of 2006

### **Timber Linn**

**Intentions:** Redesign an 18 hole beginner/intermediate level disc golf course.

**Issues:** Approval of P&R and competition of there over all plans of the park.

**Timeline:** Again the wait of P&R overall plans. When approved about 3 months.

### **Takena Landing**

**Intentions:** Install an 18 hole advanced level disc golf course.

**Issues:** Parking access to the east end of park or at the juncture of the railway tressel

**Timeline:** After completion of Simpson park and pending approval of the city. (2006-2009)

### **Bryant**

**Intentions:** Install an 18 hole advanced level seasonal disc golf course.

**Issues:** Park is closed in the winter and baskets will have to be pulled.

**Timeline:** Pending city approval and funds for baskets. Estimated 2005 plus.

### **Bowers Rock**

**Intentions:** Install an 18 to 27 hole world class level disc golf course.

**Issues:** No public access to park and no point of contact for future development of the park.

**Timeline:** Start after or during Takena Landing phase of development. (2008-2012)

### **Willamette Wayside**

**Intentions:** Install an 18 hole professional level disc golf course.

**Issues:** Don't know who controls it and no developed access.

**Timeline:** Start after Bowers Rock (2011-2014)
